Hi Farkash
thanks for the attached.
I think Ehud is planing to meet with you to update on our discussions once he's back in Israel. Or maybe you agreed a date already?

Hi Farkash

good idea - I have copied Ehud, he will be back in Israel in a few days. We can schedule a call/video call or a meeting in Israel or NY.

Dear Gary,

Thanks for the update.

We are moving forward with the initial plan for FST 2. It will be important to have a meeting all 3 of us - you, Ehud and myself to discuss the updated plan I prepared.

Regarding the FST 2 - CEO recruitment, I am preparing a job description, requirements and qualifications. When it's ready I will send it to you if you wish.

As we discussed in the past, you joining the board will contribute and will be valuable.

Shavua Tov and Blessings,

Farkash.
